

BOATING RULES: RETURN BEFORE SUNDOWN

Lake Moc-A-Tek Campground (LMCI)

1. Non-swimmers must wear a properly buckled life jacket at all times.
2. All children 12 years and younger, must wear a properly buckled life jacket at all times.
3. Each passenger must have their own life jacket and whistle issued by LMCG while on the boat.
4. No standing up in LMCG boats at any time.
5. The person renting/operating the boat must be 18 years of age or older with a valid PA driver's license.
6. No swimming or diving from the boat.
7. A maximum of 3 people per boat but not to exceed 450 lbs. of passenger weight in any case.
8. Electric Powered Boats must carry special PA State licenses which are mounted on boats 8, 9, 10, 11 & 12.
9. All fishermen, if required by PA state law, must visibly display a valid PA fishing license on their person while fishing.*
10. It is recommended that issued life jackets be displayed in the boat so they can be seen from the shore. *This may prevent a "come ashore" call from the PA authorities.

As the responsible renter/operator of the LMCG boat, I will abide by all of the above rules. Also, I will insure that all my passengers understand and abide by the same rules. If they elect not to abide, I will return them to shore.
